

Company Profile

Ed's Truck Service is a light to heavy duty truck repair shop located in the heart of the Nepean Industrial Park at Merivale and Hunt Club.

Operating since the mid 1980's, the founder retired in 2011 and the business continued operating under new ownership. The business has 10 mechanics and provides maintenance, repair, and DOT services for light and heavy duty trucks just to name a few. All of our staff are friendly professionals that truly care about our customers. We service all makes and models, and prioritize work so that your trucks maximize their time 'on the road'. Having an afternoon shift (we're open until late) means your trucks can get required maintenance in the evening so that they stay working during the day.

Ed's Truck Service has two bays dedicated to Cars and Light - Medium duty Trucks. Full repair and maintenance services are provided by highly skilled and licensed mechanics.

Covering the full line of repairs, from cars to heavy duty trucks, Ed's is your local professional for vehicle repair and maintenance.

WHAT MAKES ED'S TRUCK SERVICE UNIQUE AND DIFFERENT?

How we 'stack our bays': We coordinate the work in our service bays so that the longer term repair jobs are located at the front of the bay and the shorter term jobs are at the back of the bays, closest to the doors. We always do our best to accommodate emergency, start of the day, repair or maintenance work for our customers. This means, quick and easy access to the repair bay so that truck's 'down time' is minimized. It works, and our customers appreciate the service.

We are open late - until midnight: Our evening mechanics start late-morning and work until 12 am (or later if required). This means our customers can book repair and maintenance work to be done when the truck does not normally work. This means your truck works every day, including the days it is in the shop for maintenance.

About the General Manager

Dan is a very friendly and conscientious professional who values and respects customer relationships. Dan is the type of person who “*does what they say they are going to do, when they say they’re going to do it*”.

Honesty and integrity are two of Dan’s strengths that will ensure your dealings with Ed’s will be straight forward and sincere. Fluently bilingual, Dan is comfortable in both official languages.

Drop in and say hello. Dan will always have a smile and a coffee available.

Testimonials

Having a fleet of trucks and trailers on the road on a daily basis as you know means constant maintenance and repair. But the key to good maintenance and repairs is finding the right people and repair facility to perform the work.

I have been dealing with Ed’s Truck Service for many years now and no matter what the repair. I have always been received with the upmost in professionalism and service. My trucks and trailers are repaired properly and on time. Overall Ed’s keeps my busy fleet running so I can provide the best service possible to my clientele
Matt F

I have dealt with Ed’s Truck Service for many years and have had excellent service in the way they handle getting our truck fleet up and going again with minimal downtime. Ed’s always find time to fit in our last minute truck emergencies. Thank you for your help in keeping our fleet operational and safe. The employees are hardworking, dedicated, professional, and easy to talk to Ed’s Truck Service is a company I would highly recommend.

Neil Jackson

Operations Manager, Petro-Canada Fuels

I have been bringing my company’s small bus to Ed’s Truck Service for years and have always had fast, reliable service. I trust the work they do and they’re always available to help us, even if we need them at the last minute.

Lauren Georgy-Yang

Recreational Manager, The Redwoods Retirement Residence

Ed’s has helped us out more times that I can remember. Always there for emergencies, they get all my repair and maintenance work. A great truck repair shop!

Heather Ross

General Manager, Superior Propane, Ottawa

The Westwood has been bringing our bus to Ed’s truck service for over 10 years. They have provided us with both scheduled maintenance and last minute repairs. Ed’s has always been flexible, honest, and affordable. They make every effort to work with our schedule and make sure we get our bus in time to take our residents out for activities.

I would not hesitate to recommend Ed’s truck service for your corporate bus or vehicle.

Emera Kennedy

Director of Recreation, Revera-The Westwood
